

DECLARATION OF PERFORMANCE

Solid wood panelling and cladding

1. Product

Solid wood paneling and cladding which fulfills the requirements according to EN 14915:2006, ThermoWood cladding is made according to CEN/TS15679 2008 Thermal Modified Timber. For further or more detailed information on the delivered product, in addition to what is given below, see information on the packaging or in possible accompanying commercial document.

2. Type: DoP19102 Version 1.

3. Intended use of the construction product

Soft wood paneling or cladding for internal or external usage.

4. Producer

Company: StoraEnso Wood Products Oy Ltd Uimaharju Sawmill
Address: Tehtaantie 1
FIN-81281 UIMAHARJU
Finland
Telephone: +358 2046 28402
E-mail: jarikko.nevalainen@storaenso.com
Web site: www.storaenso.com/certificates

6. System of assessment and verification of constancy of performance of the construction product System 4.

STORADENSO

9. Declared performance

Essential characteristics

Declared performance

Usage
Specie

I = Internal usage or external usage
Spruce PCAB (Picea abies)

Strength properties	Characteristic values	Harmonized technical specification
Density and range of thicknesses	390 kg/cbm, 9/5	EN 14915: 2006
Water vapor permeability	NPD	
Thermal conductivity	0,10 W/m K	
Sound absorption coefficient	NPD	
Emission of hazardous substances	NPD	
Biological durability	Thermo D: Class 2 According to EN 350	
Reaction to fire	D-s2, d0	

10. That the performance for our Solid wood paneling and cladding is in accordance with the declared performance given above is certified:
