

Berga Focus

by Stora Enso

Berga Focus is the office paper of choice for the daily needs of any fast-paced modern business. It is the right paper for printing documents that regularly require both black and white text masses and the occasional picture or graph in color. The ColorLok label guarantees exceptional print results in colour as well as black and white.

STORAGE AND HANDLING

- Store the paper in a humidity and temperature controlled area at 50% relative humidity and room temperature between 19°C and 23°C.
- If the paper is stored in non-air conditioned warehouse, it is absolutely necessary to allow a stabilisation period in the print room.
- Open the protective wrapping at the moment of use.
